

Virginia Emblems and Symbols Bingo Game Lesson Plan

Curriculum: Social Studies

Grade: K-1

Virginia Standards of Learning: HSS.K.9, HSS.1.4, HSS.1.12

Objectives: Students will:

- *identify the emblems and symbols of Virginia*

Time Required: 30 minutes

Materials and Resources: student Bingo cards, call sheet, chips or daubers, markers or crayons, 8.5 x11 paper, prizes (optional)

Procedure:

1. Prepare by deciding what Bingo cards you will use. Print the call sheet and Bingo cards you wish to use. (Note: If you play with the picture side of the card, the Bingo/call card for shape of Virginia is State Motto. It will be beneficial to use a different clue to help students recognize this picture.)
2. Distribute the cards to the students. Decide which side you would like students to use: picture or words.
3. Distribute at least 10 chips or one dauber, marker, or crayon to each student in order to mark cards.
4. Review the directions with the students. Decide beforehand if Bingo will be a vertical, horizontal, or diagonal pattern. Be sure to point out to students that the middle space is a free space, and therefore could be part of their Bingo pattern. Also, remind students that only one marker can be placed at a time.
5. Call the cards to the emblems and symbols. Give students ample time to look over their card and mark the applicable emblem or symbol.
6. Student who calls "Bingo" first and has correctly marked his/her card is the winner.
7. Repeat the game.

Assessment:

1. Students can correctly identify the emblems and symbols of Virginia.

Extension:

1. Copy one side of several Bingo game cards and cut out the squares. Make sure you have two of every square. Use the squares to play "Memory."

State Nickname	State Shell	State Motto	My habitat is in brackish water, such as the Chesapeake Bay.	When I am very young, I eat lots of leaves to make me big and strong.
State Bird	State Fossil	State Dog	My habitat is in brackish water, such as the Chesapeake Bay.	I am very old, and I can be found when you dig near Virginia's coastal plain.
State Insect	State Fish	State Beverage	I can be your pet, but if I'm working, I'm hunting foxes with my sense of smell.	I am considered a tree and a flower.
State Tree and Flower	State Flag	My habitat is small creeks, lakes, and streams.	You can have me in a glass, or I can help make butter and ice cream.	I help fisherman harvest oysters and crabs.
State Boat	State Dance	My habitat is woodlands, gardens, shrublands, and swamps.	This is a dance with four couples arranged in a square.	I consist of the State Seal on a blue background.
