APPLICANT and
PARENT FAQ GUIDE
The following information addresses the most commonly asked questions by prospective applicants and their families regarding the Senate Page Leadership Program. In addition to this FAQ sheet, please refer to the Teacher and Parent FAQ. You are strongly encouraged to read both before starting the application process. The House Page Program, administered by the House Clerk’s Office, is a separate program that requires completion of a different application. In addition, the selection process, program components and protocols for the House Page Program differ from the Senate.

FAQ #1
Q: What is the manner in which a Senate Page is appointed?
A: Pursuant to the Rules of the Senate adopted on January 13, 2016, the members of the Senate elect twenty Pages. In addition, six Pages are appointed by the leadership of the Senate to serve during a legislative session. The Clerk of the Senate may appoint additional Pages.

FAQ #2
Q: What requirements does an applicant need to meet?
A: Applicants seeking admission must be 13 or 14 years of age on the first day of session (second Wednesday in January) and a resident of the Commonwealth of Virginia who resides with their parents or legal guardian (see * below). Applicants should have an A or B average in school at the time of appointment. This average demonstrates an ability to manage a challenging workload and study independently during their term of service as a Senate Page.

*A page applicant must be enrolled in an accredited public or private school in Virginia or be enrolled in a certified home school program recognized by the Department of Education.

All components of the online application must be completed by the applicant, with the assistance of parents/legal guardians. Please see FAQ #3 for introductory application information.

FAQ #3
Q: What does the application entail?
A: In addition to standard information, application requirements include the following:
FAQ #3 Continued

- Two letters of recommendation, both of which must be attached to the online application. As you consider the people from whom you will request a letter of recommendation, please keep in mind the following:
  - A strong recommendation includes introductory, supporting and concluding paragraphs on a standard 8 ½” x 11” piece of paper or letterhead. Please make sure the person writing a recommendation includes a preferred method of contact.
  - The recommendation letter should be addressed to the State Senator who represents the Virginia Senate district in which the applicant is a resident. If your Senate District is vacant, the letter should be addressed to the Clerk of the Senate. Please note: your State Senator is not one of the two U.S. Senators who represent Virginia in Congress. In an election year, letters of recommendation should be addressed to the State Senator who currently represents your Virginia Senate district.
- A completed school endorsement form, signed by the appropriate school personnel. That form is located within the application.
- An essay question (applicants will have a choice of questions to answer).
- A short answer question.
- A resume of extracurricular activities and other academic or civic recognitions.

Students admitted to the program will be required to submit their latest report card or transcript with employment forms. The Senate Clerk's Office reserves the right to rescind offers of admission to the program upon receipt of academic standing records.

Senate Pages are selected for a term of one session and are not eligible for reelection or reappointment. In order to provide this opportunity for as many young people as possible, persons who have served as a page in the House of Delegates are not eligible to serve as a Senate Page.

FAQ #4

Q: How does the selection process work?

A: The review process for admission to the Senate Page Leadership Program typically takes one and a half months to complete. All applicants will be notified, typically by mid-December. Those who receive admission to the program will be issued a handbook, employment forms and other important information.

Those who receive admission to the program will attend a mandatory Orientation program with their parents. Orientation is typically a four hour session.

A. The salary is $145.00 per week. A: It is extremely important to discuss the program expectations with your school before applying! Please refer to the Teacher and Applicant FAQ for more detailed information.

Only the Clerk of the Senate can excuse a Page from study hall. Schoolwork assignments are to be obtained by the Page from his/her teachers. The Senate tutors do not make school/homework assignments.
